Death Certificate

← Birth Certificate

Instructions:

- > Click on the Birth Certificate Box
- > Ensure that names, birth dates, and parent information match the documents.
- > AI assistance will highlight missing or incorrect information in red.
- > Only upload clear, scanned copies of the required documents.
- > Allowed file formats: JPEG, PNG, PDF (Max 5MB per file).
- > The system will generate an AI Summary of the application, highlighting key details.
- > Any missing or incorrect information will be shown for correction before submission.
- > Click On Apply for final submission.
- > Alternatively, click Save as Draft if you need to complete it later.

Required Documents:

- > Birth Certificate from the hospital
- > Statement of birth from the hospital or birthplace
- > Parent's marriage certificate
- > Parent's Identification Documents
- > Aadhaar card of parents
